Justification for Nomination recommended by HKSI Headcoach and Kata Coach as indicated by * and #.

* Policy Compliance and Eligibility:

According to the Asian Games 2026 Nomination, Sport Technical Handbook:

"Each NOC is eligible to register one (1) athlete per individual event." "Each NOC is eligible to register up to a maximum of three (3) Individual events per gender."

"The Team Kata event is only open for registration for NOC that has registered for individual Kata event of the same gender."

Therefore:

- Participation in Men's Team Kata is conditional upon registration in the Men's Individual Kata event.
- The selected individual athlete must be part of the three-man Team Kata squad.

Accordingly, the selected individual player MUST be included in the 3-man Team Kata team in order to preserve eligibility for the Team Kata event.

Rationale for Selection of Li Chi Kong Over Chiu Chun Yin

Greater Senior-Level Experience-Li Chi Kong has competed consistently at senior international level since 2019.

Senior-level exposure is critical for:

•Pressure management

•Tactical maturity

•Competition adaptability

Li Chi Kong has a higher volume of international wins, as evaluated by the HKSI Head Coach and Kata Coach.
